PET/CT Scan Preparation

We require 24 hours' notice to cancel your exam. Avoid physical exertion 24 hours prior to the test. Do not eat or drink 6 hours prior to the test. Eat a high-protein, low-carb dinner the night before. If you are diabetic, please bring your medication and a light snack with you. Make sure that our staff is aware of your condition ahead of time, as insulin intake may need to be modified.

Please be prepared to stay with us approximately 3 hours. No caffeine, gum, candy or mints prior to the test. No smoking is allowed prior to the test.

Take your prescribed medicine on the day of your exam with a small sip of water ONLY. Wear comfortable clothing, nothing with metal.
